attic room was burst open.

Hospital was summoned, but the physi- of the existing government was expected cian, Dr. Maclay, was unable to restore This dispatch was sent prior to consciousness, and Adams died within a announcing the proclamation of Mula few min. es few mint es.

In a Rooming House.

The tragedy occurred in the third floor rear room of a boarding house at 810 Blow Up When Struck by Former Twelfth street northwest, conducted by Mrs. Etta Edmonson.

Delia, who died on August 3 in Salt Lake steers in an unusual manner. His cattle City from consumption, Adams lost all in- were grazing in a field where Mr. Huff terest in things earthly, and rather than was blasting stumps. While he was ablive without his helpmeet took his own sent the steers ate a quantity of the life. Her face was ever before him, and dynamite. When driving them in at even as he wrole the last sentence before evening Mr. Huff threw a stone at the taking leave of this life he was thinking herd. of and mentioned "Her."

and as the gas numbed his senses he tinctly for several miles. tried in a brief and realistic manner to describe his sensations.

In the darkened room, with death staring him in the face, the suicide yet retained his senses for a time, and tried to set down his fears. Pushed strongly and firmly at first, the pencil used to indite his last earthly thoughts wavered. Springs to ask for aid from the national Windber police was not mentioned in the grew unsteady, and finally in a few spasmodic jerks ended abruptly.

As the deadly fumes stole over his senses, Adams felt himself sinking. His head seemed to ring and contract. Then as his senses gradually left him he saw the room swirling before him. He was losing consciousness. Then when his sight failed he seemed to be lifted. That he felt this sensation was shown by Kansas of the Oklahova idea of Justan. senses, Adams felt himself sinking. His has felt this sensation was shown by has come out in favor of the extension to his left hand, clenched in the folds of teeing deposits in State banks, caused a the coverlet, as if he would hold himself to earth. As he took leave of his was made on the same day that Postmassenses, he saw a light and thought of ter General Meyer attacked the Bryan letter they received on November 29, 1907. the wife for whom he had grieved; for guarantee plan for national banks whom he committed self-destruction whom he committed self-destruction. As a last effort he wrote, "Good-by."

He Drank Heavily.

Adams obtained a room on the third floor of the Twelfth street house on Wednesday last. He mingled little with other roomers, and drank heavily. He Challenges Tammany Leader to seemed to continually brood over the death of his wife, who fell a victim to consumption in Salt Lake City, Utah, on August 3. He worked spasmodically, and seemed to have few, if any, friends.

Yesterday Adams was not seen. As he was not known to be working regularly, no effort was made to get into his room in the morning. Toward evening wever, Mrs. J. Powell, a sister of Mrs. Etta Edmonson, who conducts the rooming-house, tried to get in the room to make the bed. She received no answer tempted to introduce licensed vice into to her knock, and went into another Brooklyn while Henry Haggerty was room. Coming again into the hallway, deputy police commissioner, in charge of that borough, Patrick H. McCarren this room occupied by Adams, and, finding the door still locked, screamed

Albert Basvekian, a roomer in the house answered Mrs. Powell's cries, and at her direction broke open the door. When the threshold of the death chamber. Adams was lying on the bed, partially dressed. In his right hand he grasped

Basveklan threw open the windows and turned off the gas. He then notified Policeman Messer. A hurry call was sent for the ambulance from Emergency Hos-pital, and Dr. Maclay responded. Within a few minutes after the arrival of the physician Adams was dead, drawing his State senate, and both times has been last breath in the doctor's arms.

the bureau in his room, where they had carefully been laid by the suicide. were found three notes. All were dated August 17, and at first this could not be solved. A small calendar, with Monday police that Adams had been drinking and had allowed a week to pass unnoticed.

Disconnected Notes. All of the notes were rather disconnected. One read:

Respectfully, A. D. ADAMS. Here goes nothing. A life spent in misery. What-

ever faults I had, I am my own worst enemy. Another note read:

Reinburg, at 1459 Monroe street, city. Good by all.
